The Chemical Dependency Counselor Certificate prepares students to meet the educational requirements for the Licensed Alcohol and Drug Counselor (LADC) application in Minnesota.

State of Minnesota Requirements for the Licensed Alcohol and Drug Counselor

Until July 1, 2008: A minimum of a two-year degree with 18 semester credits in approved chemical dependency counselor preparatory courses, plus 880 hours of academic internship/practicum in an approved setting.

After July 1, 2008: A four-year degree with 18 semester credits in approved chemical dependency counselor preparatory courses, plus 880 hours of academic internship/practicum in an approved setting.

Fond du Lac Tribal and Community College reserves the right to change when courses are offered. Program requirements are subject to annual review and revision. Students should use this program plan as a guide when selecting courses to complete a degree in a major. It is important that students consult with an advisor/counselor prior to registering for courses each semester.
