Associate of Arts Degree Option

To earn an Associate of Arts Degree in addition to the Associate of Science degree outlined above, the student must complete a course from each of the following goals areas:

Natural Science

Humanities (from a discipline other than the one used for the Associate of Science degree.)

Global Perspective

Fond du Lac Tribal and Community College reserves the right to change when courses are offered. Program requirements are subject to annual review and revision. Students should use this program plan as a guide when selecting courses to complete a degree in a major. It is important that students consult with an advisor/counselor prior to registering for courses each semester.
