Associate of Arts Degree Option

To earn an Associate of Arts degree in addition to the Associate of Science degree, the student must complete courses from each of the following goal areas:

- Communication (two courses, one course each from Group B and C)
- Mathematical/Logical Reasoning (one course, Introduction to Statistics suggested)
- Humanities and Fine Arts (two courses from different disciplines)
- People and the Environment
- Physical Education (one additional course)

Fond du Lac Tribal and Community College reserves the right to change when courses are offered. Program requirements are subject to annual review and revision. Students should use this program plan as a guide when selecting courses to complete a degree in a major. It is important that students consult with an advisor/counselor prior to registering for courses each semester.
