Students seeking an associate of science degree to pursue a Registered Nursing career will need to complete an additional sequence of required courses. Please refer to the Registered Nursing-Associate of Science Degree Program checklist/planner and consult with the Nursing program director.

Fond du Lac Tribal and Community College reserves the right to change when courses are offered. Program requirements subject to annual review and revision. Students should use this program plan as a guide when selecting courses to complete a degree in a major. It is important that students consult with an advisor/counselor prior to registering for courses each semester.
